While this can not be proven by science as far as we know, there is also no other theory of life that has been proven true. Yes, when you look past all of the flash and hyperbole there are some things that we can learn from Yeezus when it comes to braving the harsh entrepreneurial currents of the modern The Road to Isla Negra world. It's filled with research and stories to illustrate and back up each component, and while not a self-help book specifically, it's one of the richest resources -- and most accessible -- on your journey to living a life that makes you happier.
