The Book of Elijah A. Stone

Despite a reductive denomination, defining nothing more than the instrumental resource used, the case of the various types of electronic music is eloquent in this regard, and allows for the emerging of many tendencies, consistencies and formulas: a substantial usage of the rallying aspects of sound; the sound modulation of affects; the recurrence of the warlike lexicon and imagery; the military origins of many sound tools; the fictional setting of major socio-political and ecological threats; the authoritarian stage displays; the ritualized

gatherings.
