Warning topic Oi. The accountants showed they had not lost all their political clout by persuading legislators to dilute a clause in the original bill that would have forced companies to rotate their auditors every five years on the grounds that objectivity fades with time and familiarity. Whatever the case, you may want to personalize this PIN and use a code that you choose. There is a precedent to this situation. Such a notion

This last statement emphasizes the point that we are not proposing the metaphor of rhizome for an individual mind, but to minds as distributed in social, cultural, historical, and institutional contexts.
