Together the novels throw much light on everyday life during the Third Reich and in particular on German-Polish-Jewish relations in a frontier area plagued by communal strife. But can the boy deliver it in time.

Loved the difference between sub and supraliminal, with a great example. Ple Frank doesn't recognize this provocative sex kitten in his bed, but he likes. The heavy machine guns, for example, which had been emplaced halfway up the slope of the hill east of the village, could not be shifted to alternate positions because movement by any crew member was conspicuous against the white background. We often joined the workers in the fields and really got an appreciation for their hard work. That heart is not a king's which yields to barbarity and finds no place for mercy". These magazines helped solidify and shape the newly minted concept of a teenager.
