Carol Mc What an interesting piece of history, stumbled on this I was just looking at Victorian life. Few people recognized the potential at the time, but that gave IGT the boost it needed to become Bally's main competitor in producing electronic gaming devices.

To finish my first few books I was a total hermit - I barely left my studio for months. Pulling on the nearest crops, I was surprised to see ... carrots. I'll give you five bucks if you finish it. Of course, in the micro-politics of the public interaction we have produced several breaches, but I am referring to something that comes before that and is more structural, which is the very conception that this institution, and also the curatorship in its negotiations with it, may have of what mediation in an exhibition is. I've been back to Australia ten times now, and on every occasion somebody has come up to me and said, "Do you remember that night when you lost your voice."
